Re: Continuing Relationship Between Our Companies

Ladies and Gentlemen:

This is to both commend and thank you for your continued outstanding performance for almost fifteen years. During that period, you have been a great help to us in support of a variety of mission critical functions for the Marine Corps aboard the local installations at Camp Lejeune and Cherry Point.

Although some of the projects involved difficult site conditions and aggressive schedules, your company has performed in an exemplary manner. Your office and field personnel have always conducted themselves with the utmost professionalism and provided successful results, even in very challenging conditions.

We hope that our past association has been mutually beneficial and look forward to working with you again in the very near future.

Sincerely,

Charles L. Morgan  
Vice President
